Wine & Webinars Series

Session Notes:

Think About It:

What do these approaches look like at my own organization?

What common themes are emerging from the conversation?

Wine &
Webinars Series

What are two approaches I can take away from this session for my own organization?

Imagine successful implementation of the approaches discussed in this session. Describe what you imagine as the ideal future state.

What else do I need to know to advance these approaches in my own organization?

What questions do you wish you had asked in this session?

Wine & Webinars Series

Prior to the next session...

Time to Reflect!

Look back at your notes from the previous session.

Have you thought more about what you learned?

Have you implemented any of these ideas in your organization?

If no, why not?
